

8 KEYS FOR SUCCESSFUL RELATIONSHIP

1

Be willing to give up personal space.

2

Pay attention to the little things—
small kindnesses are extremely nurturing to a relationship.

3

Keep your agreements.

4

Take responsibility for your own upset regardless
of what the other person has or has not done.

5

Share gratitude and appreciation regularly.

6

Be a really good listener.

7

Don't complain about your partner with your friends.

8

Your job is not to fix or change your partner—
your job is to Love them.
